1 - INTERVIEW -

2 **Officer:** Today's date is May 4th, 2022. Time is 1506
3 hours. Going to be conducting an interview
4 with Stanley Burtran -- uh -- on the right
5 shoulder of westbound Interstate 105. I'll
6 be conducting an interview with my partner,
7 Officer Chris Chambers (phonetic), ID 20932
8 and Special Agent John (phonetic) -- uh --
9 how do you --

10 **Jenez:** Jenez (phonetic).

11 **Officer:** -- Jenez.

12 **Chambers:** (Inaudible).

13 **Officer:** Okay. How you doing, sir?

14 **Burtran:** I'm okay.

15 **Officer:** Okay.

16 **Burtran:** (Inaudible).

17 **Officer:** Okay. So, we just want to get an
18 understanding of kind of what happened.
19 Okay? So, I know we have a lot of video
20 footage and I really appreciate that. Um --
21 hopefully we get it all and then I won't
22 have to bug you anymore. But we may have to
23 get, you know, I know there's a lot of
24 video. So, depending on how much we can --
25 uh -- we can get from you via WhatsApp -- uh

1 -- we may have to have you come back. Would
2 you be willing to do that? Come to our
3 office? We can try and download the
4 majority of it if it doesn't come through?
5 **Burtran:** Oh, I sent it to him. Uh -- and I sent to
6 (inaudible) -- uh -- email.
7 **Officer:** Uh-huh.
8 **Burtran:** I sent it them and couple of pictures,
9 everything. So -- um -- you want me to
10 explain what happened and -- uh --
11 **Officer:** Yeah, so, we'll get -- uh -- into that in a
12 second.
13 **Burtran:** Okay.
14 **Officer:** I just want to make sure we -- uh -- we get
15 all the video footage.
16 **Burtran:** Yeah.
17 **Officer:** So, what I'm saying is, sometimes like when
18 you cut clips, we miss stuff that we need
19 for our investigation.
20 **Burtran:** Yeah.
21 **Officer:** So, the clip that -- clip that you cut, it's
22 very, very important to our investigation,
23 but there may be more that's outside of that
24 clip that's also pertinent.
25 **Burtran:** Okay.

1 **Officer:** So, if for some reason, if we don't get it
2 all via WhatsApp and via email, would you be
3 willing to come to our office and we could
4 just download the whole entire thing in its
5 entirety?
6 **Burtran:** I would be willing to come to your office to
7 probably -- um -- but if my -- uh -- coming
8 here would be sponsored by you guys, I will.
9 **Officer:** If what?
10 **Burtran:** Coming to here?
11 **Officer:** Yeah.
12 **Burtran:** Because I live in Texas.
13 **Officer:** Okay. If coming over here would be
14 sponsored by you guys, I will. I don't
15 (overlapping).
16 **Burtran:** I see. I see what you're saying.
17 **Officer:** Yes.
18 **Burtran:** Okay. Yeah. And then, we would do it
19 sooner than later. That way you don't have
20 to go like -- our office is just down the
21 street.
22 **Officer:** Okay.
23 **Burtran:** I just want -- it's very important to us to
24 get as much footage as we can.
25 **Officer:** Okay.

1 **Burtran:** Okay. I know sometimes when we send stuff
2 -- uh -- uh -- and sometimes, you know, you
3 have to clip it out.
4 **Officer:** Okay.
5 **Burtran:** Okay.
6 **Chambers:** He's saying it's sponsored.
7 **Officer:** I -- I understand.
8 **Chambers:** Oh, okay.
9 **Officer:** But -- uh -- okay. So, what happened?
10 Where were you coming from?
11 **Burtran:** So -- um -- I dropped off -- uh -- a load --
12 I came from -- uh -- (inaudible) Chicago
13 yesterday. Um -- I drove up -- I came in
14 yesterday. I drop off a load at Costco.
15 Costco -- uh -- distribution center. So, I
16 -- I was going to pick up another load. So,
17 I had my bag, freshen up, you know, take my
18 (inaudible). So, no need to go -- going
19 today to pick up -- uh -- my load. And the
20 load was just like -- I'm almost there like
21 -- just a minute. So, if you notice, I'm
22 just six miles away from where I'm going to
23 pick up load.
24 **Officer:** Okay.
25 **Burtran:** So, I get this, like, I come into this lane.

1 So, (inaudible), you know, we always on the
2 right lane. I'm a truck driver, so I turn
3 into the right lane. (Inaudible). So, kind
4 of just someone like, you know, when you are
5 driving, when you wide because (inaudible)
6 thing. I notice a guy coming down from --
7 from there. Like from up (inaudible)
8 something. So, he was running down.

9 **Officer:** Okay.

10 **Burtran:** So, when I saw him, I -- I suspected maybe
11 -- uh -- initially, I thought maybe he was
12 maybe -- uh -- doing something or yeah,
13 walking -- road walk maybe. So, I started,
14 you know, putting my brake -- my foot -- uh
15 -- by the brake like, you know, like -- I
16 wasn't expecting him to jump -- jump into on
17 the road. Right? On the street. Don't
18 mind my accent. I'm from Nigeria, Africa.
19 So -- uh -- don't mind my accent. So, but
20 understand me. So, listen to me very well.
21 You'll hear me. Okay? So, you don't jump
22 right in front of me and spread his hands
23 like trying to jump. So, I was like, who is
24 this? So, that was when I started like
25 holding my brake very fast. I told myself,

1 I'm not going to kill this guy today. So, I
2 hit my brake very softly. So, I -- the --
3 the (inaudible) right there. So, when he
4 fell, he was like angled. Like when he woke
5 up, he got up, he was -- he was still alive.
6 Like he was like, oh, I'm still alive. So,
7 he runs to another truck. Not this guy.
8 This guy like came after this and everything
9 happened. He run to another truck and put
10 his head right here. The truck was moving.
11 But unfortunately for him, the guy stopped.
12 So, the guy didn't kill him. Right? So, he
13 stood up again. We were trying to talk to
14 him, hey, what is going on? So, that was
15 when I pick up my phone to call 911. I
16 didn't touch him. Like we didn't touch him.
17 So, tried pick up my phone, call 911. So,
18 he was running towards the other side. So,
19 I was telling people, hey be careful. Don't
20 like, I was like, you know, because there
21 was no cops around. And I would tell people
22 be careful because I don't want anyone to
23 hit him. I know he was maybe going to jump
24 into -- so, the other guy, I don't know
25 -- uh -- if it's in the video. The other

1 guy that was -- have a smaller truck was
2 trying to guide him as well. He jumped in
3 front of another truck.

4 **Officer:** (Overlapping).

5 **Burtran:** So, he keep on trying -- like he was looking
6 -- uh -- for -- for someone to kill him.
7 So, I was looking to -- because like I don't
8 really -- I'm not from here so I don't
9 really know address. So, I have to give
10 someone -- um -- the other guy going to talk
11 to the police about the road. I don't know
12 the like the address. And I was shaking
13 because of what happened. Like --

14 **Officer:** Okay.

15 **Burtran:** -- I was shaking. So, I wasn't -- um -- I
16 couldn't, you know, like get everything
17 together. But I was just say, hey, someone
18 runs in front of me. Can you come and help
19 out? That was all I as saying. I didn't
20 know -- I didn't know the address or
21 anything. So, I was looking around. I
22 didn't see obviously the exits, so, but
23 that's when you guys came.

24 **Officer:** Okay.

25 **Burtran:** So, that was much I know. So -- um -- I saw

1 his wallet. So, his wallet -- uh --
2 (inaudible) I'm not -- uh -- not (inaudible)
3 I picked it up. I was the one that picked
4 it and gave it to the lady. Um -- I don't
5 know her name. Uh -- I picked it up, gave
6 it to her.
7 **Officer:** It's a CHP officer, correct?
8 **Burtran:** Yes.
9 **Officer:** Okay. Yeah.
10 **Burtran:** Yes.
11 **Officer:** I -- I know who.
12 **Burtran:** Yeah. And I took -- uh -- I took picture
13 the guy's ID because anything like if you
14 guys need it. So, I gave it to her. She
15 was (inaudible).
16 **Officer:** Yeah.
17 **Burtran:** I told her. And she said, okay.
18 (Inaudible). So, I stayed. I stayed in my
19 truck. That's -- like that's all I -- and I
20 don't know what -- how -- how the guy is. I
21 don't know if he's alive or not. That's
22 pretty much all I know.
23 **Officer:** Okay. All right. Uh -- I'm having a little
24 trouble hearing you. Would it -- would it
25 be possible to turn your truck off?

1 **Burtran:** Okay.

2 **Jenez:** Is that his -- uh -- ID?

3 **Officer:** Uh -- yes, sir.

4 **Jenez:** Just going to take a picture of it.

5 **Officer:** Okay. Okay. Yeah, it's just, I -- I want

6 to make sure. So, that -- that I understand

7 everything you're saying.

8 **Burtran:** Okay.

9 **Officer:** So, I just want to be able to hear a little

10 bit easier. Thank you for doing that.

11 Okay. So, do you know the add -- you said

12 you're coming from Costco.

13 **Burtran:** Yeah, Costco.

14 **Officer:** Do you know which location that was? Do you

15 have the address on here?

16 **Burtran:** Yeah. I have everything.

17 **Officer:** Okay.

18 **Burtran:** Everything where I was coming from. Uh --

19 okay. So, I want to go in details. This my

20 -- agent, dispatcher.

21 **Officer:** This your dispatcher.

22 **Burtran:** Yes. So, that's when I get to pick up the

23 load. Right. And that's -- uh -- that's

24 Costco. Costco Riverside Drive.

25 **Officer:** Okay. So, I'm just going to write that down

1 if that's okay. So, 11600 Riverside Drive.
2 And that's in Mira Loma?
3 **Burtran:** Yes. Like 51 minutes or so away from here.
4 **Officer:** And do you know what time you left that
5 address? Is that on your dispatch? If not,
6 it's okay.
7 **Burtran:** Um -- uh -- that was this morning. After
8 having my bath. There's another dispatcher
9 that send me loads. So, yeah, this was when
10 I was about to leave -- uh -- yeah. Heading
11 out now.
12 **Officer:** So, that's at 9:52?
13 **Burtran:** Yeah. So, I said -- uh -- that was -- okay.
14 9:51 yeah.
15 **Officer:** 0951.
16 **Burtran:** Yeah. That was when I say headed out now.
17 I have 10:51:11.
18 **Officer:** All right.
19 **Burtran:** (Inaudible) like (inaudible).
20 **Officer:** Okay.
21 **Burtran:** So, that's around about.
22 **Officer:** And do you have the address of the location
23 where you were going?
24 **Burtran:** Uh -- from -- uh -- yeah, I will show you.
25 **Officer:** Okay.

1 **Burtran:** Yeah. So, this the location we are going
2 to.
3 **Officer:** This is the delivery.
4 **Burtran:** Uh -- so, this pick up. Yeah. Pick up.
5 Which is like six minutes away from here.
6 **Officer:** The Manville Street --
7 **Burtran:** Yes.
8 **Officer:** -- in Compton?
9 **Burtran:** Yes.
10 **Officer:** Okay.
11 **Burtran:** Yes.
12 **Officer:** What's -- uh -- 175 East Manville Street.
13 **Burtran:** Uh-huh.
14 **Officer:** Compton, California 90220. Okay. So, you
15 left around 9:51. You're headed to Franco
16 Logistics in the City of Compton.
17 **Burtran:** Uh-huh.
18 **Officer:** Um -- so, you were on the 105 freeway.
19 Obviously.
20 **Burtran:** Uh-huh.
21 **Officer:** And you were headed westbound.
22 **Burtran:** Uh-huh.
23 **Officer:** Okay. How long were you in this last lane,
24 which is what we call the number four --
25 **Burtran:** Uh --

1 **Officer:** -- lane?

2 **Burtran:** -- so, when I see it -- uh -- uh -- I'm not

3 going to lie to you. Uh -- I won't really

4 remember, but I know that I tried to switch

5 lane. Like to switch to right lane. Which

6 I -- I'm used to like when I'm driving, I

7 always only go on the right lanes. So,

8 (inaudible) whatever I want to do.

9 **Officer:** Sure.

10 **Burtran:** So, when I see that was -- what I can recall

11 is when he jumped off from, you know, like

12 (inaudible).

13 **Officer:** Okay. So --

14 **Burtran:** (Inaudible).

15 **Officer:** -- so, what you can recall, you were in --

16 you were in the right-hand lane for a long

17 -- for a while before the incident?

18 **Burtran:** Uh -- yeah. Little bit. Yeah.

19 **Officer:** Okay. All right. So, you weren't switching

20 lanes when the incident happened.

21 **Burtran:** No, no, no, no, no. I -- I have the video.

22 **Officer:** Yeah. Yeah, I've seen the video. I'm just

23 trying to understand from your statement.

24 **Burtran:** Okay.

25 **Officer:** Okay. So, you were in this lane. The --

1 which is the number four lane.

2 **Burtran:** Uh-huh.

3 **Officer:** And the speedometer on your video -- I know

4 it has a speedometer --

5 **Burtran:** Yes.

6 **Officer:** -- on your dash camera.

7 **Burtran:** Yeah.

8 **Officer:** Is that accurate?

9 **Burtran:** It shows 54.

10 **Officer:** Okay.

11 **Burtran:** Fifty-four mile per hour. And this is --

12 this about 65.

13 **Officer:** And does that -- does that speed on your

14 dash camera, does it get calibrated at all?

15 How do we know that that's accurate?

16 **Burtran:** Um -- I don't know. But it's always like --

17 uh -- it's always accurate.

18 **Officer:** Okay. All right.

19 **Burtran:** Uh -- like, I don't know what else.

20 **Officer:** I -- I -- I understand. So, to the best of

21 your knowledge, it's accurate?

22 **Burtran:** Yes.

23 **Officer:** Okay.

24 **Burtran:** It's accurate.

25 **Officer:** Okay. And so, did --

1 **Burtran:** And -- and to -- to prove that it was
2 accurate -- um -- if I was going above 60, I
3 promise you, I would have killed that guy.
4 Uh -- like, (inaudible) hit --
5 **Officer:** Yeah.
6 **Burtran:** -- but I stopped.
7 **Officer:** Yeah.
8 **Burtran:** Because this was where he came. And I was
9 able to stop here. That was like I left the
10 truck. Everything (inaudible). I don't --
11 **Officer:** Oh, no. And we're not -- we're not
12 insinuating you did anything wrong. You're
13 not in trouble at all. Right? And, you
14 know, that's -- that's why we're just here
15 talking to understand what happened.
16 **Burtran:** Okay.
17 **Officer:** So and the only reason why I ask -- I don't
18 think you were speeding. But sometimes, you
19 know, maybe dash cams are a couple minutes
20 off.
21 **Burtran:** Oh.
22 **Officer:** Like sometimes thing -- things are off. So,
23 that's all I'm asking.
24 **Burtran:** Okay.
25 **Officer:** Maybe -- maybe it's five minutes fast or --

1 or five mile per hours fast or five miles
2 per hour -- that's all I'm asking.
3 **Burtran:** I wasn't speeding.
4 **Officer:** No. That's not what we're insinuating.
5 **Burtran:** Okay.
6 **Officer:** I just want -- I can see the speed in the
7 video, and I just want to make sure, to the
8 best of your knowledge --
9 **Burtran:** Okay.
10 **Officer:** -- that speedometer is working accurately.
11 **Burtran:** Uh -- yeah, it is.
12 **Officer:** Okay. And so, you were travelling at -- at
13 how fast did you say it was?
14 **Burtran:** Uh --
15 **Officer:** I know have the video.
16 **Burtran:** -- about 50 -- 50 miles to 50. Around 54 --
17 50 miles to 54 hours per -- uh -- miles per
18 hour. That was what I was going.
19 **Officer:** Okay.
20 **Burtran:** Yeah. Because I was about to exit. And I
21 was -- I was -- it's also busy hour.
22 **Officer:** Yeah.
23 **Burtran:** So, I shouldn't even -- it was --
24 **Officer:** Okay.
25 **Burtran:** -- like, you -- you know what I mean. I'm

1 --

2 **Officer:** Yeah.

3 **Burtran:** -- (inaudible) yeah.

4 **Officer:** I totally understand.

5 **Burtran:** This is -- uh -- this is a busy hour.

6 People are going to work. You have to --

7 all these people are around you --

8 **Officer:** Absolutely.

9 **Burtran:** -- ane, so.

10 **Officer:** So, your maps, your GPS was telling you to

11 take the 710 south --

12 **Burtran:** Yes.

13 **Officer:** -- is that correct?

14 **Burtran:** Yeah. It's still there.

15 **Officer:** Okay.

16 **Burtran:** (Overlapping).

17 **Officer:** So, you were pre -- preparing to take the

18 710 south transition road --

19 **Burtran:** Yes.

20 **Officer:** -- is that correct? Okay.

21 **Burtran:** And that's the address.

22 **Officer:** Got it. So, 710 south is where the next --

23 **Burtran:** Uh-huh.

24 **Officer:** Okay. All right.

25 **Burtran:** So, I'm just like six miles away from here.

1 **Officer:** And when did you first notice the gentleman?

2 **Burtran:** Yeah, like I was coming -- uh -- I was -- I

3 don't know. Maybe like where those guys

4 are.

5 **Officer:** Where my partners are right there --

6 **Burtran:** Yes.

7 **Officer:** -- in the blue?

8 **Burtran:** Maybe -- I said, maybe.

9 **Officer:** Yeah.

10 **Burtran:** (Overlapping).

11 **Officer:** No -- uh -- look. It's all approximations.

12 **Burtran:** There was something like where he was --

13 they don't like, you know, someone that's

14 off the road but, (inaudible) right, you

15 notice someone is off the road, but you

16 don't know what he's about doing. So, I saw

17 him. I was like, what's this guy doing?

18 You know -- uh -- you don't play on the

19 highway. Uh -- as I was trying to get that,

20 I saw -- when I saw him get in here was when

21 I -- I started hitting my brake.

22 **Officer:** Okay.

23 **Burtran:** Like when I said, no, this is -- this is not

24 like -- it's not -- it's unusual. So, I

25 started hitting my brake. Then he came

1 right in front of me, just running into us
2 with -- right, like, he was like standing
3 around. So, I said no, like I'm not going
4 to kill this guy. That was what I said to
5 myself. Then I hit my brake light. Hard
6 brake. You can check my camera, you will
7 see hard brake.
8 **Officer:** Yeah. Yeah.
9 **Burtran:** Yeah. All my cameras, it's a hard brake.
10 So, I hit my brakes so tight. Then he
11 jumped in front of me. They -- they tried
12 to push him but then he rolled -- he rolled
13 -- uh -- he was -- uh -- then I set my
14 brake. I think I was like, are you -- like
15 I didn't touch him. Uh -- because -- uh --
16 uh -- I was scared to you. So, I was like,
17 are you okay. Uh -- uh -- like talking to
18 those -- or that guy -- or those that guys
19 were here. Because those guy -- or that
20 guys if they had moved forward (inaudible)
21 time (inaudible) like (inaudible). So,
22 those guys now came down, they're like,
23 what's going on? What is going on? So, he
24 stood up mad, like he was mad that he didn't
25 die. That was like, I'm just telling you

1 what I think he was mad that he didn't die.
2 So, he run in front of the -- so, he was
3 like run in front of that truck.

4 **Officer:** Okay.

5 **Burtran:** So, then the guy stopped. He continued like
6 he was just making it for to -- for someone
7 to just kill him. That was all -- all I
8 saw. So, when you -- when he led the --
9 that guy going forward, that was like a let
10 -- like when I -- I said, no, let me go and
11 I will go tell him (inaudible).

12 **Officer:** Okay. And your call -- your -- your -- the
13 call that you made to 911, do you still have
14 it? Do you still have it?

15 **Burtran:** The what?

16 **Officer:** The call that you made to 911. Do you still
17 have it on your call records?

18 **Burtran:** Yes.

19 **Officer:** Can we see what time that you called? I
20 know our 911 dispatcher will have all of
21 that, but I just want to see like what the
22 timestamp of exactly when it happened.

23 **Burtran:** Okay. Give me a sec.

24 **Officer:** Yeah.

25 **Burtran:** Uh --

1 **Officer:** Absolutely.

2 **Burtran:** -- uh -- um -- um -- give me a second.

3 **Officer:** Absolutely.

4 **Burtran:** Yeah. That was it. So, it's happened

5 around 9:14.

6 **Officer:** 11:18 is when you called --

7 **Burtran:** Yes.

8 **Officer:** -- 911.

9 **Burtran:** Yes. That was when I called 911.

10 **Officer:** Okay. So, I just want to clarify some of

11 this parts that we're at. So, I'm going to

12 ask you just some more detailed questions.

13 **Burtran:** Okay.

14 **Officer:** Just to help understand exactly what

15 happened.

16 **Burtran:** Okay.

17 **Officer:** Okay. So, I understand we were going -- so,

18 you indicated and again, this is for my

19 reporting so I can remember what we talked

20 about.

21 **Burtran:** Okay.

22 **Officer:** So, when you indicated where my partner is,

23 where is about where you first noticed the

24 guy?

25 **Burtran:** Yes.

1 **Officer:** That sign right there, that overhead sign,
2 that metal sign, is that about where you
3 were?
4 **Burtran:** Yes. About there, yeah.
5 **Officer:** Okay. And so, when you were about right
6 there at the overcrossing sign -- uh --
7 that's when you noticed him. And -- uh --
8 was he right here running down the -- the
9 storm --
10 **Burtran:** He was --
11 **Officer:** -- drain?
12 **Burtran:** -- yeah, he was running like --
13 **Officer:** Okay.
14 **Burtran:** -- I saw -- I saw him running down.
15 **Officer:** Running down the storm drain right here.
16 **Burtran:** And I'm not sure (inaudible) I know someone
17 was --
18 **Officer:** Okay.
19 **Burtran:** -- uh -- uh -- (inaudible) like he wasn't
20 exactly on my left.
21 **Officer:** Okay.
22 **Burtran:** But I could see like --
23 **Officer:** Yeah.
24 **Burtran:** -- I saw somebody. So, I saw him like
25 coming down. You know, like that speed.

1 So, I was like, what is he doing? And then,
2 like, what is he doing? I was like
3 conversating with myself and him. Like
4 imagine that he was there with me. So, that
5 was when I tried to pull my brake. Then he
6 -- he runs towards me.

7 **Officer:** Okay.

8 **Burtran:** Like he runs towards me.

9 **Officer:** Yeah.

10 **Burtran:** Not like he stood there. No. He run
11 towards me.

12 **Officer:** Yeah.

13 **Burtran:** So, maybe if he was still standing still, I
14 wouldn't have hit him. But he run towards
15 me. So, but my stopping, my everything like
16 (inaudible).

17 **Officer:** Okay. And you said once he got to about the
18 curb is when you started applying the brakes
19 initially and then he ran into the lane --

20 **Burtran:** Yes.

21 **Officer:** -- towards you. That's when you slammed on
22 the brakes.

23 **Burtran:** Yes.

24 **Officer:** Is that correct?

25 **Burtran:** Yes. Yes.

1 **Officer:** Okay. All right. Uh -- and you said after
2 the impact he kind of fell forward on the
3 ground?
4 **Burtran:** Yeah. He fell -- he fell like about there.
5 He fell about here.
6 **Officer:** Okay.
7 **Burtran:** About here.
8 **Officer:** About right here next to where his hat is.
9 **Burtran:** Yeah. Yeah.
10 **Officer:** Is that correct?
11 **Burtran:** So, (inaudible) was the second truck. He
12 tried to get up on the (inaudible). That's
13 the time like (inaudible) I don't know
14 whatever happened.
15 **Officer:** Yeah.
16 **Burtran:** That's -- uh -- (inaudible) when he tried to
17 get to another truck.
18 **Officer:** Okay.
19 **Burtran:** Another --
20 **Officer:** Was it a semi-truck with a trailer just like
21 --
22 **Burtran:** Yes.
23 **Officer:** -- yours?
24 **Burtran:** Yeah.
25 **Officer:** Okay.

1 **Burtran:** Yes.

2 **Officer:** And that truck stopped because of the

3 incident presumably as well?

4 **Burtran:** Yes.

5 **Officer:** Is that correct?

6 **Burtran:** Yes.

7 **Officer:** Okay.

8 **Burtran:** No, the truck here -- you know, people were

9 seeing what we -- people didn't know what

10 was going on. Like maybe it was going like

11 kind of slow. Like slow. So, the guy

12 stopped the truck like (inaudible).

13 **Officer:** Okay.

14 **Burtran:** So, he's (inaudible) or that was the

15 (inaudible).

16 **Officer:** Got it.

17 **Burtran:** So, he didn't die. And started like

18 running.

19 **Officer:** Okay.

20 **Burtran:** That was when I -- I -- I went (inaudible)

21 --

22 **Officer:** And -- and --

23 **Burtran:** -- (overlapping).

24 **Officer:** -- so, to go back a little bit further, once

25 he was on the ground, you said he was about

1 right here where his hat is now.

2 **Burtran:** Yeah. Um -- let me show you the picture.

3 **Officer:** Okay.

4 **Burtran:** I got -- I got that one. Um -- that's my

5 (inaudible). Okay. Um -- okay. Yeah.

6 That was him.

7 **Officer:** Okay. And this is about -- this is where he

8 landed?

9 **Burtran:** Yes. Yes.

10 **Officer:** (Overlapping).

11 **Burtran:** That was -- that was right -- right -- okay,

12 that was here.

13 **Officer:** Yeah.

14 **Burtran:** Right here. Look at this line.

15 **Officer:** Uh-huh.

16 **Burtran:** So, that was about here.

17 **Officer:** Okay.

18 **Burtran:** Yes. That was (inaudible). So, that was --

19 **Officer:** And how long was he -- what's the timestamp

20 on that photo? If I can. 11:18.

21 **Burtran:** 11:18.

22 **Officer:** So, that's the same time you called 911.

23 **Burtran:** Yeah. Uh -- uh -- yeah, about that same

24 time. Because this only happened like we

25 didn't speed up. So, (inaudible) I like we

1 was still long.

2 **Officer:** Okay. Uh -- so, once he was laying down,

3 how -- how long would you say he was laying

4 down for before he got up?

5 **Burtran:** About maybe like five seconds.

6 **Officer:** Five seconds. So, it was pretty quick that

7 he got up?

8 **Burtran:** Uh -- yeah. About five seconds. Uh -- uh

9 -- let me just --

10 **Officer:** (Overlapping).

11 **Burtran:** -- let me just say --

12 **Officer:** Yeah.

13 **Burtran:** -- let me just say about five seconds.

14 **Officer:** Okay.

15 **Burtran:** Right?

16 **Officer:** Yeah.

17 **Burtran:** Sorry, he so, when --

18 **Officer:** (Overlapping).

19 **Burtran:** -- he stood up, he -- okay. Sorry. He laid

20 there and, you know, like he turned. I

21 guess he felt like, oh, I'm still alive.

22 So, that was when he stood up again like

23 looking for another truck. So.

24 **Officer:** The other guy --

25 **Burtan:** Yeah.

1 **Officer:** (Inaudible).

2 **Burtran:** The other guy who -- hit his head --

3 **Officer:** Yeah.

4 **Burtran:** -- it didn't work out for him. Stood up

5 angry. Like he wan -- he wanted to fight

6 us. Like that was (inaudible) he was about

7 like if you talk to me, I'm going to hit

8 you. Like that's (inaudible) and don't want

9 to push (inaudible).

10 **Officer:** Okay.

11 **Burtran:** What's wrong.

12 **Officer:** So, when -- when -- after he was on the

13 ground, when did you get out of the vehicle?

14 **Burtran:** Even I hit him, I set my brake.

15 **Officer:** Okay. And so, when you took that picture,

16 were you still in the vehicle?

17 **Burtran:** Which? So --

18 **Officer:** That picture.

19 **Burtran:** -- this picture, I have two cameras.

20 **Officer:** Okay.

21 **Burtran:** So, and they are synced together.

22 **Officer:** Hmm.

23 **Burtran:** I said sync. The other one does not sync,

24 all right? I can bring it. Let me get it.

25 **Officer:** Uh -- that's okay. I'm just -- so, that --

1 that wasn't --

2 **Burtran:** They sync together (overlapping) I take

3 picture from this one --

4 **Officer:** Uh-huh.

5 **Burtran:** -- the other one going to receive it.

6 **Officer:** Okay.

7 **Burtran:** It's iPhone. I have -- um -- uh -- uh --

8 what do you call it? iPhone -- uh --

9 **Officer:** iCloud. The iCloud.

10 **Burtran:** -- (overlapping) yeah, so, if I take picture

11 so, I guess I take it with that one because

12 --

13 **Officer:** Okay.

14 **Burtran:** -- when that thing happened like -- I know,

15 like I know that I was trying to get

16 (inaudible) because (inaudible) I'm not from

17 here.

18 **Officer:** Yeah.

19 **Burtran:** (Overlapping) I'm from Africa. And -- um --

20 I want to (inaudible).

21 **Officer:** Yeah.

22 **Burtran:** And when now you ask me (inaudible) I don't

23 want to -- I don't want to say what -- uh --

24 don't happen. And I want to say everything

25 clearly.

1 **Officer:** Absolutely.

2 **Burtran:** And (inaudible). So, I'm very careful

3 because I know when I came down. Uh --

4 really I do remember, but I notice -- I try

5 (inaudible) picture, because this is

6 (inaudible) and this (inaudible) my phone.

7 **Officer:** Okay.

8 **Burtran:** My phone (overlapping) --

9 **Officer:** So, you took that picture, it was already

10 when you got out of the car?

11 **Burtran:** Yes. It was.

12 **Officer:** Okay. So, you got out of the car --

13 **Burtran:** Because -- because look at this. That was

14 --

15 **Officer:** Yeah.

16 **Burtran:** -- this is me.

17 **Officer:** Okay. So, that's --

18 **Burtran:** This is me.

19 **Officer:** Okay.

20 **Burtran:** This is me. This is when I got up

21 (inaudible) I was making the call to

22 (inaudible).

23 **Officer:** And this is when he was -- after he was

24 laying under the -- under the -- the other

25 big rig; is that correct?

1 **Burtran:** Oh, not quite sure what that is that's -- uh
2 -- like this is me coming down, running to
3 here and this -- the other guys. Then I
4 started (inaudible).
5 **Officer:** Okay.
6 **Burtran:** So, I don't know if I grabbed my phone like
7 maybe when I was coming out.
8 **Officer:** Yeah.
9 **Burtran:** (Inaudible).
10 **Officer:** Yeah. So, after he up, was the big rig that
11 he got under, was it already stopped?
12 **Burtran:** No.
13 **Officer:** So, it was still moving, and he laid --
14 **Burtran:** Yes.
15 **Officer:** -- down in front of the moving vehicle?
16 **Burtran:** No. This -- this picture was when I get to
17 him.
18 **Officer:** Yeah.
19 **Burtran:** So, he was here.
20 **Officer:** Yes.
21 **Burtran:** Remember I said he was laying like this?
22 **Officer:** Uh-huh.
23 **Burtran:** I thought he was dead then.
24 **Officer:** Yeah.
25 **Burtran:** So. But when he got up was when we all knew

1 that he wasn't dead.

2 **Officer:** Yes.

3 **Burtran:** So, he stood up. So, the other truck was

4 coming. He like he put his head like --

5 **Officer:** And the other truck was obviously in this

6 lane, which is the number three lane,

7 correct?

8 **Burtran:** Yes. Yes.

9 **Officer:** Okay. And how -- and that truck, when he

10 laid down, the truck was still approaching

11 him, correct?

12 **Burtran:** Can't really tell.

13 **Officer:** Okay.

14 **Burtran:** But -- uh -- let me now say, please, I don't

15 -- I don't --

16 **Officer:** It's -- it's okay. So, he laid down in

17 front of a truck that was in the -- in the

18 number three lane.

19 **Burtran:** Can we -- can we pull out this? Because

20 this is the whole footage. That is him

21 there. And there's the truck. The guys

22 that was helping me (overlapping).

23 **Officer:** The guys that helped him. Okay.

24 **Burtran:** Okay. So, this was me.

25 **Officer:** Uh-huh.

1 **Burtran:** You see, I was assisting. Even notice I was
2 assisting. Now watch.
3 **Officer:** Okay.
4 **Burtran:** So, I was going, you know, to the left.
5 Right. You see when I exit -- try to exit.
6 Then that's him.
7 **Officer:** So -- uh --
8 **Burtran:** So, but like if you -- if you notice, I
9 didn't (inaudible) --
10 **Officer:** Yeah.
11 **Burtran:** -- my truck was there. So, that was him.
12 This guys, they stopped.
13 **Officer:** Okay.
14 **Burtran:** So -- um -- so, let's watch. You will see
15 that will happen. Which is (inaudible). I
16 don't like going through it like this. So,
17 I came down. I wasn't informed -- uh -- I'm
18 wondering how I took that picture. I don't
19 know like -- I'm just trying to -- yeah,
20 (inaudible) here.
21 **Officer:** Okay.
22 **Burtran:** I went-- uh -- I went -- that was in a run
23 to grab my phone. (Inaudible). That was
24 when I went here.
25 **Officer:** Yeah.

1 **Burtran:** That was when I went. I wasn't on the
2 phone. So, this is my hand.
3 **Officer:** Okay.
4 **Burtran:** So, I was (inaudible). Then I came back
5 (inaudible).
6 **Officer:** Yeah.
7 **Burtran:** So, that was -- I was trying to pull up
8 (inaudible).
9 **Officer:** Okay.
10 **Burtran:** So, that was the situation. Let's see if we
11 can see when he -- uh -- run to the next
12 truck. Yeah, I guess that's the truck. I
13 don't know. I don't know. This --
14 **Officer:** Can you turn it this way a little bit for my
15 partner?
16 **Burtran:** So, thi -- uh -- see this guy's viewing here
17 he's still alive. But I think they cross it
18 like again. So, we're like what was going
19 on. Now like talking to each other. Then I
20 was making that call. Yeah. Look at him.
21 Look at him.
22 **Officer:** Yeah.
23 **Burtran:** He's standing now. He stood up. Look at
24 him. Yeah. That's exactly what happened.
25 See him now. Look. (Inaudible) way. You

1 see him?

2 **Officer:** Yeah.

3 **Burtran:** You see then the guy stopped. So, it's not
4 this guy. So, he got mad again. And move
5 out. The guy goes on his way. So, he stood
6 up, like, started running. Or walking. Not
7 necessarily running. Like walking. But he
8 didn't want us to touch him. And we didn't
9 want to touch him actually.

10 **Officer:** And is one of these gentlemen in this truck
11 kept following him?

12 **Burtran:** Uh -- yeah. That guy was following -- that
13 guy was actually like trying to help him.
14 And I was on phone talking to 911. But I
15 don't really know -- uh -- like I told you,
16 I don't really know the area. So, I don't
17 really know exactly where I'm at. But I
18 only told I'm on this highway.

19 **Officer:** Yeah.

20 **Burtran:** So. So, I guess -- I guess, I was just kind
21 of confused. I don't know what to do. And
22 I wanted -- uh -- yeah, I was telling people
23 to be careful. Yeah, I was telling people,
24 hey, be careful. Don't run into him. He's
25 trying to commit suicide. But this guy was

1 doing that too. But I didn't move my truck
2 though. I didn't move it at all. I didn't
3 know.
4 **Chambers:** Silverado.
5 **Officer:** Okay. Okay. Okay.
6 **Burtran:** So, I tried to -- that was when I came up,
7 but -- uh --
8 **Officer:** Okay. So, I know we reviewed the video a
9 little bit. This is the video that -- it's
10 -- it's very, very helpful. It's very good
11 videos. Uh -- the other two gentlemen up
12 there -- uh -- they pulled up right after
13 your incident. Correct? Like in the
14 beginning?
15 **Burtran:** Um -- yeah. Uh -- uh -- I know -- I -- I
16 know they were here, but I don't -- uh --
17 you know, like, yeah, driving, you don't --
18 you never had (inaudible). You know
19 everybody's just like (inaudible), but you
20 don't -- don't exactly -- uh -- (inaudible).
21 But I don't know how. But I know they
22 stopped.
23 **Officer:** Okay.
24 **Burtran:** When I stopped. Yeah.
25 **Officer:** Okay. And that other vehicle -- um -- now

1 that you've looked at the video, it's -- uh
2 -- it stopped. Did the vehicle stop
3 afterwards, or did he keep going after the
4 -- after the guy got up?
5 **Burtran:** The other truck?
6 **Officer:** Yeah.
7 **Burtran:** He -- he kept going.
8 **Officer:** Okay. All right. Uh --
9 **Burtran:** I guess he looked. He didn't kill anybody.
10 So, he -- he --
11 **Officer:** He just kept going. Okay. And to the best
12 of your knowledge, that other vehicle did
13 not touch him at all?
14 **Burtran:** No.
15 **Officer:** He stopped.
16 **Burtran:** Only this guy -- the other guy is -- oh,
17 thank you so much.
18 **Officer:** And I don't mean the -- I mean, the big rig.
19 The -- uh -- the big rig. You said he kept
20 going after the gentleman got up, correct?
21 **Burtran:** Yeah.
22 **Officer:** Okay.
23 **Burtran:** Hey (inaudible).
24 **Officer:** Okay. So, I know we have the video and that
25 helped but I also want to understand what

1 you saw from your perspective.

2 **Burtran:** Yes.

3 **Officer:** Okay?

4 **Burtran:** Yes.

5 **Officer:** All right. So, what was the gentleman

6 wearing to the best of your knowledge?

7 **Burtran:** Who?

8 **Officer:** The gentleman that -- that -- that you hit?

9 What was he wearing?

10 **Burtran:** He was having --

11 **Officer:** How would you describe him?

12 **Burtran:** -- a short -- a short, yeah. He was wearing

13 like -- uh -- a short and a t-shirt. Right.

14 **Officer:** Do you know what colors?

15 **Burtran:** I think it was blue. It was blue or white.

16 Blue. Oh my God.

17 **Officer:** It's okay. Just the best of your knowledge.

18 **Burtran:** Yeah.

19 **Officer:** Yeah.

20 **Burtran:** I know he was wearing a t-shirt with his hat

21 -- uh -- I know -- I know he had his hat

22 when -- um -- when he jumped out of --

23 **Officer:** Yeah.

24 **Burtran:** -- like he -- he was still okay. Like be

25 sure, he was the one that pulled it off.

1 Like he -- he was the one that pulled it
2 off. Not -- not like fell on the ground.
3 He actually -- he was okay. Yeah.

4 **Officer:** Okay. And then, you said he was wearing a
5 t-shirt. You don't remember the color? And
6 again, we're -- we're just trying to get
7 your perspective.

8 **Burtran:** Yeah.

9 **Officer:** You have the video that will help us.

10 **Burtran:** Yeah. He -- if -- if you have asking me
11 this because of like (inaudible) wrote it
12 down, but his was blue. I don't know. Uh
13 -- I don't want to --

14 **Officer:** So, a t-shirt and shorts.

15 **Burtran:** Yeah.

16 **Officer:** Okay.

17 **Burtran:** T-shirt and short. I know he was wearing
18 shorts.

19 **Officer:** And how would you describe the gentleman?

20 **Burtran:** He's kind of -- um -- uh -- I think he had a
21 (inaudible).

22 **Officer:** What is it?

23 **Burtran:** He was -- he had (inaudible).

24 **Officer:** Okay.

25 **Burtran:** Yeah.

1 **Officer:** So, you would describe him as -- as a -- uh
2 -- heavysset?
3 **Burtran:** Not too much.
4 **Officer:** Not too much?
5 **Burtran:** But a little bit, maybe. A little bit. A
6 little bit. I know I -- like I -- I believe
7 I saw that. I know he was. So, I was like,
8 how -- how will somebody of this age be
9 running out on the streets like this --
10 **Officer:** Yeah.
11 **Burtran:** -- you know?
12 **Officer:** Do you remember how tall he was and how
13 would -- how would you describe his height?
14 **Burtran:** Uh -- I'll tell you the height. He's quite
15 short like -- yeah. About that.
16 **Officer:** What height would you say?
17 **Burtran:** Maybe like 5 -- 5 -- maybe 5'6" or
18 something. I don't know.
19 **Officer:** 5'6".
20 **Burtran:** Or 5'5". I don't know. Like around --
21 around that.
22 **Officer:** Got it. And then, what did -- what would --
23 what would you describe his ethnicity?
24 **Burtran:** Huh?
25 **Officer:** What would you describe his ethnicity?

1 **Burtran:** Uh -- he's Hispanic. I saw --

2 **Officer:** Hispanic.

3 **Burtran:** -- that like, (inaudible). He's Hispanic.

4 **Officer:** Did -- did he talk at all? Did he say

5 anything?

6 **Burtran:** No, he never said -- uh -- nothing.

7 **Officer:** Not -- not a single word.

8 **Burtran:** He never said -- he was lying on there,

9 turning his neck was, (inaudible) like quite

10 a number of times. Like that was when we

11 knew that he was al -- alive. That was --

12 **Officer:** Yeah.

13 **Burtran:** -- what's going on? Are you okay? Why did

14 you run into like, you know, like trying to

15 get a conversation with him. Like what was

16 going on. Are you okay? Uh -- and I was

17 scared as well. I seen that, I was -- uh --

18 afraid like I killed somebody.

19 **Officer:** Yeah.

20 **Burtran:** So and I tried to (inaudible) second one.

21 Then he put his (inaudible) then that was

22 when he (inaudible). So, I didn't want to

23 start just chasing him.

24 **Officer:** Yeah.

25 **Burtran:** And --

1 **Officer:** Okay. So, he never said a word. What did
2 his hair look like? Did he have long hair,
3 short hair?
4 **Burtran:** I remember he was wearing hat. Um -- I
5 remember he was wearing hat. So -- um -- I
6 do not think might be kind of confusing for
7 me because (overlapping).
8 **Officer:** Because he was wearing the hat?
9 **Burtran:** Yeah.
10 **Officer:** Okay. Did he facial hair? Did he have a
11 beard?
12 **Burtran:** (Inaudible).
13 **Officer:** Okay. All right. Did you see any visible
14 injuries when he got up after the accident?
15 Was he bleeding?
16 **Burtran:** Uh -- (overlapping) --
17 **Officer:** -- we know he was bleeding. Where was the
18 blood on his body?
19 **Burtran:** I saw blood in his hands.
20 **Officer:** Like scrapes on his hands?
21 **Burtran:** Uh -- I only know that I saw blood.
22 **Officer:** On part of his hands.
23 **Burtran:** On his hands, but I don't know what -- what
24 else.
25 **Officer:** Okay. And the gentleman that kept walking

1 with him in the -- in the -- in the yellow
2 shirt, was he in that white truck?

3 **Burtran:** Yes.

4 **Officer:** Okay. So, there was two people. One of
5 them kept driving in the white truck.

6 **Burtran:** Yes.

7 **Officer:** And the other one followed --

8 **Burtran:** Yes. One of them came down initially. So,
9 when the other one was just chasing right --
10 uh -- another one was just chasing -- the
11 other one was driving. He went back to the
12 truck --

13 **Officer:** Okay.

14 **Burtran:** -- I saw him driving. So, when he got out
15 -- um -- I was backing up and so -- uh --
16 the lady (overlapping) was actually where --
17 a ways down there, so I told her -- um --
18 I'm here in California. You know, like
19 trying to describe to him -- to her rather.
20 She said, what a (inaudible). Like ask him
21 some questions. So, I didn't -- I was -- uh
22 -- I'm not familiar with the area. So -- uh
23 -- I told her at the highway. Then I give
24 the other gentleman the phone.

25 **Officer:** Okay.

1 **Burtran:** Say, please can you help me assist me to
2 talk to her.
3 **Officer:** Got it.
4 **Burtran:** Maybe and I was nervous, so I couldn't
5 really talk straight. So, he tol -- he
6 spoke to her. Uh -- I guess, I don't know
7 what happened. He gave -- the -- the man in
8 that truck, the single man in that truck,
9 like that was the toughest that spoke to the
10 -- um -- the lady on the phone. So, it was
11 --
12 **Officer:** But in -- in the white truck, right? The
13 ones in the vests?
14 **Burtran:** That's not (inaudible).
15 **Officer:** You're talking about this one right here,
16 right? Because that's -- that's not the
17 same truck from the video. That's a
18 different truck.
19 **Burtran:** No, this is -- this -- yes, I know. I know
20 what I'm talking about.
21 **Officer:** Okay.
22 **Burtran:** Yes. And --
23 **Officer:** I'm -- I'm trying to make sure I understand
24 --
25 **Burtran:** Oh, okay. Okay.

1 **Officer:** -- what you're saying.

2 **Burtran:** Sorry. So, this guy -- not -- okay. There

3 are two trucks now (inaudible) --

4 **Officer:** Yeah.

5 **Burtran:** -- less than three trucks. One's the white

6 truck and one other trucks like this.

7 **Officer:** Uh-huh.

8 **Burtran:** One is white.

9 **Officer:** Yep.

10 **Burtran:** And you saw that guy. So, I know he -- I

11 didn't see exactly what happened with this

12 guy. But I saw (inaudible).

13 **Officer:** Okay.

14 **Burtran:** I saw that guy. I saw blood on his

15 (inaudible).

16 **Officer:** Did you walk down there, or did it happen --

17 did that incident happen in front of you?

18 **Burtran:** No, I didn't walk down there. So --

19 **Officer:** Okay. Okay. But did you see that incident

20 or did you walk --

21 **Burtran:** I (overlapping) --

22 **Officer:** -- over there afterwards?

23 **Burtran:** -- I didn't see it.

24 **Officer:** Okay.

25 **Burtran:** I didn't see it.

1 **Officer:** Got it.

2 **Burtran:** I just (inaudible) me.

3 **Officer:** Got it.

4 **Burtran:** (Inaudible) I -- I -- I kind of (inaudible)

5 don't want to say --

6 **Officer:** That's okay.

7 **Burtran:** -- I don't know --

8 **Officer:** Yeah.

9 **Burtran:** -- I know that maybe there was --

10 **Officer:** Okay.

11 **Burtran:** -- whatever that happened but I know there's

12 blood on -- on his --

13 **Officer:** And that was from after the incident. You

14 walked over there, and you saw that --

15 **Burtran:** Yes.

16 **Officer:** -- uh -- (overlapping). Okay.

17 **Burtran:** I was talking toward -- remember I was

18 walking to go --

19 **Officer:** Yeah. To the female officer.

20 **Burtran:** Not to the female officer. I was walking to

21 -- um -- to like following the guy. Like

22 just to, you know, like something happened

23 but I can't just leave him alone. Like I

24 want to still know what's going on. So,

25 when I walked over there was when I saw that

1 truck. And the other guy was mad. He
2 (inaudible) with my phone. He gave it to
3 the guy. The guy on this truck.
4 **Officer:** Okay.
5 **Burtran:** Everything I'm saying now is correct. Like
6 I'm not missing anyone, right? So,
7 (inaudible) on this truck. The main driver
8 on this truck, on this -- uh -- pick-up
9 truck --
10 **Officer:** Okay.
11 **Burtran:** -- (overlapping) looking at.
12 **Officer:** Yeah.
13 **Burtran:** So, he gave (inaudible). So, this guy, I
14 guess he lives here. So, he explained
15 better about the road.
16 **Officer:** Got it. Okay. So, after he -- the -- the
17 -- the gentleman that you hit kept walking
18 this way --
19 **Burtran:** Uh-huh.
20 **Officer:** -- one of the gentlemen with the vests in
21 the white truck followed him. You and the
22 other gentleman continue to follow back --
23 back but further back.
24 **Burtran:** Yes. Yes.
25 **Officer:** Okay. And the gentleman -- uh -- that was

1 walking with you in the other reflective
2 vest, used your phone to kind of give better
3 directions.
4 **Burtran:** Oh -- uh -- sure. Yes. Uh -- yes. Yes.
5 **Officer:** Okay.
6 **Burtran:** So, maybe when he couldn't give better
7 direction -- uh -- I guess he's -- he's
8 (inaudible).
9 **Officer:** Yeah.
10 **Burtran:** I don't know. I'm just assuming this guy.
11 **Officer:** He gave it to the -- the next guy.
12 **Burtran:** Yes.
13 **Officer:** Okay. And when you guys got up to that
14 truck and your phone was handed off to that
15 gentleman in the -- in the gray truck --
16 **Burtran:** Uh-huh.
17 **Officer:** -- where was the gentleman that you hit?
18 **Burtran:** (Inaudible).
19 **Officer:** So, he was already well past that?
20 **Burtran:** Yeah.
21 **Officer:** Okay.
22 **Burtran:** He was moving -- he was -- before I could
23 even get to this truck --
24 **Officer:** Yeah.
25 **Burtran:** -- where his hat is right now, (inaudible)

1 phone like far.

2 **Officer:** Okay.

3 **Burtran:** So, it -- this whole thing was happening
4 like -- we didn't like -- (inaudible). So,
5 I was telling -- when you see me running
6 back and forth, I was telling people, be
7 careful. I was telling other truck, I was
8 hey, be careful (inaudible) careful. So,
9 then, you know, this guy understand what I
10 was saying, be careful because I don't want
11 anybody to hit him.

12 **Officer:** So, now, when he was walking further away,
13 did you see any other incidents with any
14 other cars?

15 **Burtran:** That wa -- the la --

16 **Officer:** It was too far?

17 **Burtran:** -- the last thing I saw was when I go to
18 here --

19 **Officer:** Okay.

20 **Burtran:** -- to grab my phone. Because I didn't have
21 any phone on me, and I was out from my truck
22 and --

23 **Officer:** Okay.

24 **Burtran:** -- out from here. And -- uh -- remember, I
25 was trying to capture every moment.

1 **Officer:** Yeah.

2 **Burtran:** So, that was when I saw -- uh -- the

3 helicopter if -- uh -- uh -- the helicopter

4 came and -- uh -- I don't use this other

5 phone. I use the recording that. But I

6 know I record it. Uh -- uh -- yeah. I

7 don't know -- yeah, that was -- yeah. That

8 was him. Yeah, that was his shoe. That was

9 him. And I (inaudible). Yeah.

10 **Officer:** Got it. So, you're -- at this point, you're

11 just documenting what happened.

12 **Burtran:** Yes.

13 **Officer:** Okay.

14 **Burtran:** Yes, I was just --

15 **Officer:** Okay.

16 **Burtran:** -- sometimes -- uh -- I will be able to tell

17 what -- exactly that happened.

18 **Officer:** Yes.

19 **Burtran:** Uh -- uh --

20 **Officer:** All right. So, at that point, when you got

21 to that truck and the gentleman up there

22 used your phone to kind of give 911 a better

23 understanding --

24 **Burtran:** Uh-huh.

25 **Officer:** -- did you come back here or where did you

1 go after you were at that truck?

2 **Burtran:** I came back here.

3 **Officer:** Okay.

4 **Burtran:** I came back to my truck.

5 **Officer:** Okay. And then you -- uh --

6 **Burtran:** I came back to my truck to call my office.

7 **Officer:** To call your office.

8 **Burtran:** Yeah.

9 **Officer:** Okay.

10 **Burtran:** So -- uh -- my -- my agent told me she

11 already saw what happened.

12 **Officer:** Okay.

13 **Burtran:** So, say to me -- I said to her -- because I

14 was calling -- I was calling my freight

15 manager.

16 **Officer:** Yep.

17 **Burtran:** To show you, look, here's my freight

18 manager, Jeremy. I called, he said, I said

19 to my manager, hello, this manager, he's

20 terrible. He never answered. Right? So,

21 this is my second manager. He called. He

22 answered and gave me this, the radio.

23 **Officer:** Okay.

24 **Burtran:** Take the video.

25 **Officer:** And can we -- can we move over here so he

1 can take some photographs?

2 **Burtran:** (Overlapping).

3 **Officer:** Okay.

4 **Burtran:** Right? So, that's the video.

5 **Officer:** Okay.

6 **Burtran:** This is video from company. I have my own

7 video. I have my dash camera. That is the

8 one I will show you.

9 **Officer:** Okay.

10 **Burtran:** So, my company only shows like 10 seconds,

11 10 seconds.

12 **Officer:** Got it.

13 **Burtran:** (Overlapping) seconds. But my shows like my

14 full drive.

15 **Officer:** And that's the one that you sent to my

16 partner, correct?

17 **Burtran:** Yes. Yes.

18 **Officer:** Okay.

19 **Burtran:** Uh -- uh -- I send about -- I send so many

20 people. So, I don't know the one I sent.

21 **Officer:** Okay.

22 **Burtran:** So, I have full drive like -- uh -- it was

23 -- my camera is -- once I stop my truck, my

24 camera start recording.

25 **Officer:** And where is that recorded on? Is it -- is

1 there -- uh -- an SD card that it records
2 onto?
3 **Burtran:** No, it goes on the -- uh -- on the cloud.
4 **Officer:** Onto the cloud. Okay. All right. Now, how
5 do you log into that cloud?
6 **Burtran:** This is just it.
7 **Officer:** It's an app?
8 **Burtran:** That's -- that's the camera.
9 **Officer:** Can you do it on a website too or can you
10 only do it on -- on -- at the app? Like can
11 I go log --
12 **Burtran:** Uh --
13 **Officer:** -- into a computer and get to that?
14 **Burtran:** I don't know. Uh -- this is my app.
15 **Officer:** Okay.
16 **Burtran:** This is my name.
17 **Officer:** Okay. Okay.
18 **Burtran:** This is my name. This is -- so --
19 **Officer:** And what app is that?
20 **Burtran:** Nexa (phonetic).
21 **Officer:** Can I see the app name?
22 **Burtran:** Look at it closer. Uh -- in it, so -- uh --
23 yeah, that is the name.
24 **Officer:** Nex -- Nexar door is the app. And is that
25 the same app -- uh -- the name of the

1 camera, the manufacturer?

2 **Burtran:** Yes.

3 **Officer:** Can I see the -- the spelling of it?

4 **Burtran:** Uh -- I don't know where it is -- uh --

5 **Officer:** Nexar. And do you have like a profile?

6 Like what's your email associated with that

7 account?

8 **Burtran:** Has email. That is my phone number.

9 **Officer:** Okay. Can I just write that down? Just --

10 what's your phone number?

11 **Burtran:** Um -- 347-276-2427.

12 **Officer:** Okay. Email is Dan (phonetic) rideshare --

13 **Burtran:** Yes.

14 **Officer:** -- @gmail.com. Okay. So -- so, here's --

15 so, here's my question. Is --

16 **Male:** Right there.

17 **Officer:** Get out of your way? Come over here. Okay.

18 So, would -- would -- would I -- uh -- would

19 we be able to use your login to get the

20 actual video off the account? Because that

21 may save us the trouble of having to go all

22 the way -- uh -- have you come to our

23 office.

24 **Burtran:** I told the guy -- I -- I -- what -- uh -- I

25 sent it to him. This is one of -- this is

1 him. I sent it to him. Um -- I don't know
2 his name.
3 **Officer:** (Overlapping).
4 **Burtran:** That's -- uh --
5 **Officer:** That's my partner in the glasses --
6 **Burtran:** Yes.
7 **Officer:** -- correct?
8 **Burtran:** Yeah. That's it. That's about seven
9 minutes. Almost six, seven (inaudible).
10 **Officer:** Okay. Can you go --
11 **Burtran:** So (overlapping).
12 **Officer:** -- can you go to the end? I just want to
13 see where the video ends.
14 **Burtran:** Okay. Yeah, I sent --
15 **Officer:** Because we want to make sure --
16 **Burtran:** -- I sent -- I sent --
17 **Officer:** -- we get everything.
18 **Burtran:** -- the end -- end for him -- to him. Right
19 there. So, this is the end.
20 **Officer:** No, where does the video end? Yeah, at the
21 very end.
22 **Burtran:** Oh.
23 **Officer:** Right at the end.
24 **Burtran:** Okay. Well, then he has left there. He has
25 left the scene.

1 **Officer:** Okay.

2 **Burtran:** Yes. That's me still running, like up and
3 down. So, that's the truck.

4 **Officer:** Got it.

5 **Burtran:** So, that's when the guy moved.

6 **Officer:** Okay.

7 **Burtran:** Uh -- I don't know if he was out of my phone
8 or whatever, but I know he moved. So, we
9 are still chasing him. Remember, we are
10 still chasing -- like you kind of will see
11 him. You kind of won't see the guy that's
12 the -- the -- the guy.

13 **Officer:** Yeah.

14 **Burtran:** You kind of won't see him. Like you kind of
15 (inaudible) sit back -- uh -- seat back --
16 uh -- I don't know.

17 **Officer:** So, that -- that should be --

18 **Burtran:** Uh -- um --

19 **Officer:** -- the -- the Silverado.

20 **Burtran:** -- uh -- uh -- yeah. I don't want to say.
21 So, that's me. And now -- uh -- I back
22 calling my manager. Came back out.

23 **Officer:** Okay. What do you think, sir? Because you
24 could see at least the second -- where the
25 second impact happened.

1 **Jenez:** I don't think -- uh -- I don't think your
2 partner got that clip.
3 **Burtran:** Say what?
4 **Jenez:** I think he got a shorter -- I think he got a
5 shorter --
6 **Burtran:** This is the last part of the video. So, my
7 video might be -- once --
8 **Officer:** Can we go back here?
9 **Burtran:** -- I -- I stop driving, right, once I stop
10 driving --
11 **Officer:** Yeah.
12 **Burtran:** -- so, the video -- uh -- like I told you,
13 there are two videos. Two clips.
14 **Officer:** Yeah.
15 **Burtran:** Right? One is my company. And one is mine.
16 **Jenez:** I think he got the company.
17 **Officer:** Understood.
18 **Burtran:** Yes.
19 **Officer:** Can you go back here? What -- what app is
20 this on right now?
21 **Burtran:** This is WhatsApp.
22 **Officer:** And this is the one that you sent via
23 WhatsApp, right?
24 **Burtran:** Yes.
25 **Officer:** Can you go back to the actual chat? This --

1 this is my partner's WhatsApp.

2 **Burtran:** Yes.

3 **Officer:** So, you sent him this video via WhatsApp.

4 **Burtran:** Uh-huh.

5 **Officer:** So, my partner should have exactly what we

6 saw.

7 **Jenez:** Oh, okay.

8 **Officer:** Uh --

9 **Jenez:** Cool.

10 **Officer:** -- if that shows --

11 **Burtran:** If you want me to email these to you, I can.

12 **Officer:** Okay. Yeah, I'll give you my email --

13 **Burtran:** (Overlapping).

14 **Officer:** -- I'll give you my email before we leave,

15 and I'll have you email me that whole video.

16 It might be too big to send because it's six

17 minutes. That's --

18 **Burtran:** Let's --

19 **Officer:** -- I think that's why.

20 **Burtran:** -- uh -- I don't mind. I just want to -- uh

21 -- any information you want (inaudible).

22 **Officer:** Okay. I'll confirm my partner got that

23 video --

24 **Burtran:** (Overlapping).

25 **Officer:** -- WhatsApp and the quality's the same.

1 **Burtran:** See? Look at what it's saying.

2 **Officer:** That's via email, yeah. Okay. So, I'll

3 confirm with my partner that he got that via

4 WhatsApp and then, you know, we should be

5 good there. Um -- okay. So, after the

6 other car pulled over, that gentleman used

7 your phone to continue to call 911. After

8 that, the gentleman kept walking. The

9 gentleman that got hit.

10 **Burtran:** Uh -- yeah, from -- (inaudible) yeah, and

11 then from there, I don't know any of that.

12 **Officer:** And you don't know where he went after that.

13 **Burtran:** Yeah.

14 **Officer:** Then you came back to your truck, and you

15 waited for eventually --

16 **Burtran:** Yeah -- uh -- no, yeah. Uh -- called my

17 manager.

18 **Officer:** Okay.

19 **Burtran:** You know, like in between (overlapping) --

20 **Officer:** Yeah.

21 **Burtran:** -- I was trying to -- it's not my truck.

22 So, I had to inform my office. (Inaudible)

23 so I called 911 then I called my office

24 saying (inaudible). They told me they

25 already saw it.

1 **Officer:** Okay.

2 **Burtran:** So, they (inaudible) the camera.

3 **Officer:** Got it.

4 **Burtran:** So, you know.

5 **Officer:** Now, where was the wallet?

6 **Burtran:** The wallet, I don't know. But I saw it

7 somewhere. But why I -- why I guess it was

8 there. So, cars was passing. That was

9 where -- when he got (inaudible). Right?

10 So, I did want to -- I saw it and I like oh,

11 this his wallet.

12 **Officer:** Yeah.

13 **Burtran:** So, I pulled it out like --

14 **Officer:** Okay.

15 **Burtran:** -- and then I went to lady as -- not

16 immediately, but I went to the lady and say,

17 hey, look at like his wallet.

18 **Officer:** Okay.

19 **Burtran:** I saw it on the floor. And I took -- uh --

20 yeah. That was it. Like -- uh -- that is

21 the wallet. (Inaudible). You notice the

22 car was running over it. And this is --

23 like I didn't put it but as in I didn't

24 check it in. The only thing I saw was his

25 ID. Right?

1 **Officer:** Okay.

2 **Burtran:** So, you notice that the -- the card -- the

3 ID was folded. The car was going over it.

4 So, that is him. (Inaudible).

5 **Officer:** I'll get you a business card in a couple of

6 minutes. I ran out in my pocket. But

7 they're in my patrol car. Can I see that

8 photo one more time? What timestamp was

9 that? That that photograph was taken.

10 11:42. Is that about when you picked it up?

11 11:42 when you took the picture?

12 **Burtran:** Yeah, yeah, I picked it up (inaudible).

13 **Officer:** Okay. All right. Can you email that

14 picture, the picture that -- of him laying

15 down and any other pictures that you took to

16 that email?

17 **Burtran:** Okay. Okay. So -- um -- what I'm going to

18 do -- um -- I'm going to send the video to

19 you to -- uh -- there's something that's

20 called -- um -- this -- um -- um -- a

21 website I'll use to -- I will usually drop

22 it -- uh -- what's the name? There's a

23 website. I will use it -- I can get like a

24 heavier file for you. So, that's --

25 **Officer:** 11:42.

1 **Burtran:** Yeah. So, that was (inaudible). But look.
2 Look. The blood, the guy, so, let me show
3 you. Uh -- the blood under this truck. You
4 see it. That's his shoe.
5 **Officer:** Okay.
6 **Burtran:** You see the -- you see the blood?
7 **Officer:** Yeah.
8 **Burtran:** Look at the blood.
9 **Officer:** Okay.
10 **Burtran:** So, I want to make sure you get -- you see
11 the blood.
12 **Officer:** Yeah. Yeah.
13 **Burtran:** So, not this guy --
14 **Officer:** (Overlapping). This guy wasn't involved.
15 **Burtran:** Yeah.
16 **Officer:** Okay. All right. Is there anything else
17 that you can think of?
18 **Jenez:** Uh -- just a couple questions.
19 **Burtran:** Okay.
20 **Jenez:** So -- uh -- when you picked up the wallet --
21 when you picked up the wallet --
22 **Burtran:** Uh-huh.
23 **Jenez:** All right. When you pick up the wallet --
24 uh -- it's in relation to the shoe, the
25 shoe's right here and the hat.

1 **Burtran:** Uh-huh.

2 **Jenez:** Uh -- approximately where was the wallet?

3 In between the --

4 **Burtran:** Yeah. It's -- uh -- the wallet was -- I --

5 uh -- (inaudible) I guess. I don't know. I

6 don't know. But I know that's -- I don't

7 know where the wallet -- uh -- maybe where

8 he fell --

9 **Jenez:** Oh.

10 **Burtran:** -- was where the wallet was. I guess that

11 was it. Because there's no wallet showing

12 here.

13 **Jenez:** Okay. And then -- uh -- when you were

14 estimating from where you -- uh -- hit him

15 to that pole, what do you think the distance

16 is there?

17 **Burtran:** I don't know, about --

18 **Jenez:** Just approximately.

19 **Burtran:** -- (inaudible) I know I was -- after I

20 (inaudible) like af -- af -- you know, like

21 --

22 **Jenez:** What do you think the distance is from --

23 **Burtran:** Where he fell?

24 **Jenez:** -- here to the pole? How -- how long is

25 your truck?

1 **Burtran:** Oh, it's 53 feet.

2 **Jenez:** Fifty-three feet. So, maybe another -- how
3 many feet do you think?

4 **Burtran:** Uh -- close enough to -- it was after that.
5 It was after (inaudible) this when I saw
6 him.

7 **Jenez:** When you saw him?

8 **Burtran:** Yeah. It was on -- it was on (inaudible)
9 couple of this. Like when I saw him.

10 **Jenez:** Uh-huh.

11 **Burtran:** You don't -- uh -- I don't know -- uh --
12 maybe I didn't understand your question.
13 What was your question?

14 **Jenez:** I'm just trying to -- sort of -- so, you
15 said that you first sa -- saw him about
16 where that pole is, right?

17 **Burtran:** Yes. About -- uh -- like a little -- maybe
18 here.

19 **Jenez:** Right.

20 **Burtran:** So -- so, I notice like --

21 **Jenez:** You notice -- uh --

22 **Burtran:** -- (inaudible). Like --

23 **Jenez:** Right.

24 **Burtran:** -- you are driving you notice that there was
25 you and me. So, I started like -- was going

1 -- uh -- like --

2 **Jenenz:** And then, so I'm just trying to get what --

3 just your approximation of what the distance

4 is between when you first saw him and when

5 you hit him. How many feet do you think

6 that was?

7 **Burtran:** Maybe about that -- maybe less than 53.

8 **Jenenz:** Okay.

9 **Burtran:** (Overlapping) fifty-three (inaudible) --

10 **Jenenz:** Yeah, just --

11 **Burtran:** -- feet. (Inaudible) truck. So, when -- uh

12 -- (overlapping).

13 **Jenenz:** So, about 53 feet.

14 **Burtran:** But when he came down -- when he got here

15 was less than that. That's what I'm trying

16 to --

17 **Jenenz:** Yeah.

18 **Burtran:** -- basically like when he -- when he was on

19 the road was less than that.

20 **Jenenz:** Sure.

21 **Burtran:** Yes.

22 **Jenenz:** And then -- uh -- last question, when did

23 that truck pull up? How long after it

24 happened?

25 **Burtran:** (Inaudible).

1 **Jenez:** That's fine.

2 **Burtran:** I -- I -- I -- (inaudible).

3 **Jenez:** Okay. All right.

4 **Burtran:** I wasn't (inaudible) --

5 **Jenez:** But it was after the guy was already gone,

6 correct? This one here.

7 **Burtran:** (Inaudible), like (inaudible). This is like

8 way, way, way, way far away. Way, way,

9 everything (inaudible).

10 **Jenez:** Okay.

11 **Burtran:** So, then I said like -- I only saw this guy

12 when you guys --

13 **Jenez:** Right.

14 **Burtran:** -- came like. Uh -- I don't -- I don't know

15 anything about him. I -- I didn't -- I

16 didn't get -- uh -- like I -- my -- in my

17 story, he wasn't involved.

18 **Jenez:** Okay.

19 **Burtran:** Uh -- like in my story, I can't involve him.

20 **Jenez:** Yeah.

21 **Burtran:** But I don't know whatever like -- whatever

22 he was -- uh -- but in my story -- uh -- I

23 -- I don't have him in my picture.

24 **Jenez:** Okay. Got you. And then -- uh -- on your

25 -- uh -- address on your ID, is that a

1 current address?

2 **Burtran:** That's my address. That's my house.

3 **Jenez:** Great. Okay.

4 **Officer:** And that's the briefly --

5 **Burtran:** Briley (phonetic).

6 **Officer:** -- fif -- 15 Briley. I'm sorry. Okay.

7 **Jenez:** That's all I had.

8 **Officer:** Okay. And then, the best phone number we

9 have from you is the one that was on the

10 app, right? The 347 --

11 **Burtran:** That's -- that my (overlapping).

12 **Officer:** -- 276-2427. Okay. All right. That's all

13 we have for you right now. If we have

14 anything else, I'll either give you a call

15 or we're going to have to have you hang

16 tight until they're done taking their

17 pictures here. And then we'll get you out

18 of here. So, enjoy your sandwich. If

19 there's anything else you remember, come

20 find us. You -- uh -- I'll give you my

21 business card before I leave, so that you

22 can get ahold of me if you need to.

23 **Burtran:** Okay.

24 **Officer:** Okay? Uh -- so, hang tight. You can sit in

25 your car, enjoy your sandwich and then we'll

1 come get you -- um -- once we're done and we
2 can get you out of here. Okay?

3 **Officer:** Okay.

4 **Burtran:** Okay. Thank you, sir.

5 **Jenez:** Thank you, sir.

6 **Burtran:** All right. (Recording Ends)
